

Enduring powers of attorney price list

Enduring powers of attorney set out who can take care of your personal and financial matters if you can't.

Add on an enduring power of attorney (EPA)

If an accident or illness leaves you incapable of managing your own affairs, your attorney can make decisions on your behalf. Safeguard your future financial and physical wellbeing by nominating someone through an enduring power of attorney today.

Property EPA

- > When you're incapable of managing financial matters.
- > Covers activities related to finance and property management.

Personal care and welfare EPA
